

PEMBROKE
A PRIORY ACADEMY

Monday 17th October 2022

Dear Parents/Carers,

As Head of Year 10, I am writing a short letter to introduce myself to you at this early stage of the new academic year. My name is Mr R Greene and I look forward to a successful year with our students and yourselves.

Year 10 are a fantastic collection of passionate, courageous, generous, curious, and at times, wise students. They truly do, on the whole, embody our values here at Pembroke. I have been fortunate within my role as Head of Year to see these values in action during lessons, across several subjects as well as being able to see the commitment many of our students demonstrate in their extra-curricular activities. Key to this success is how we start our day, making a point of being ready, safe and respectful. We, as a year group line up each morning to ensure that we are starting our day with these values in mind and that we are “achieving together”. As I mention on a regular basis in the morning, if we “allow others to learn and teachers to teach” by being ready, safe and respectful, then we will have, not only a great day, but a fantastic educational experience. This is how we will reach our potential and create life chances for our future.

Uniform

It is pleasing to see the vast majority of our students wearing the Pembroke uniform with pride. We have high standards of uniform and make no apologies for this. Many visitors to the school and members of the local community comment on how smart our students are. We believe that if a student looks smart, they feel smart, and therefore work smart!

I would like to point parents and students in the direction of the uniform policy published on our website and in the student planner on page 12 (the PE uniform is detailed on page 13). In particular please be aware that trousers should be straight, classic style; jewellery is limited to one pair of plain stud earrings and one finger ring; a watch can be worn around the wrist. We will work with students and parents to ensure uniform worn meets our expectations. If there are any queries regarding this please feel free to get in touch.

Recording behaviours to support learning

At Pembroke we have always had an ethos of celebrating positive behaviours, and we do this through stamps in the planner, Hot Chocolate Friday, positive phone calls home, Value Postcards and celebration assemblies at the end of modules, as well as many, many more means. I urge parents to go through the planner at least once a week with their child, signing where indicated, and celebrate the successes. Experience has taught us that this is an effective method of understanding ‘what goes on’ at school.

Headteacher: Mr S Evans

More recently staff and students at Pembroke have had a voice in reviewing and refining how we deal with disruption to learning, also known as 'low-level disruption'. We have introduced a more comprehensive method of recording low-level disruption, to support our strategies to tackle this. As our behaviour policy states: *"all students have the right to learn; all teachers have the right to teach"*. This, coupled with our three rules of Be Ready, Be Safe and Be Respectful, are a driving force behind our work in this area.

Our aim is for all students, teachers and parents to see a benefit within lessons and learning. The vast majority of parents will see no difference in our recording of behaviours, as we know the vast majority of our students are Ready, Safe and Respectful in all areas of Pembroke life. However, staff are recording disruption to lessons, including when a student has needed to be removed, and this data will inform conversations with students and parents in order to find the right support to improve behaviours where necessary. If you have any queries or comments on this, please do not hesitate to contact me at school.

Keeping up-to-date with Pembroke Life

There is so much which goes on during the academy week and we are very keen to share this with you at home. Our website, www.priorypembroke.co.uk is regularly updated with news stories (under the heading 'News') and contains information about extra-curricular activities and clubs which run each module (in the 'Extra-Curricular' section). It is here that you view the range of clubs and activities on offer this Module. These clubs and activities are updated on a module by module basis. We are on Twitter so please follow us @PrioryPembroke for the latest news and information and we also have a Facebook page (search for Priory Pembroke). It is quite incredible what the students at Pembroke can achieve, and social media is an easy way for parents to keep up-to-date!

As we near the end of Module 1, students and staff as well as parents and carers are very busy. On top of all the module grades given each module, below is a list of key dates for your calendars to help you with organisation and planning:

Key dates for Year 10

| | |
|-------------------------|--|
| Parents Evening: | Thursday 9 th February 2023 |
| Mock examinations: | Week commencing January 9 th (English, Maths and Science) |
| Photograph day: | Monday 17 th October |
| Written Reports issued: | Week commencing 17 th July |

Year 10 students have made a settled and successful start to Module 1 and they should be as proud of this as I am.

Kind regards,

Mr R Greene
Head of Year 10
