

PEMBROKE
A PRIORY ACADEMY

Dear Parents/Carers

I hope this letter finds you well. I am writing to inform you of the Year 10 mock examinations that will take place during module 6.

During the weeks beginning 14th and 21st June, Year 10 will sit formal examinations for each of the GCSE subjects that they are studying. They will be taken in the Learning Resource Centre and adjoining room in examination conditions, replicating the environment they will encounter at the end of Year 11.

Students will receive their exam timetables in the first week of Module 6.

The purpose of the examinations is to prepare students for the demands of a busy exam period and to help staff and students identify areas in each subject on which to develop. The information that staff gain from these mocks will inform future planning to help identify and close any gaps in knowledge and aid all students in making the best possible progress.

As a result of the exams, we have decided to move the date when we will issue Year 10 written reports to the week beginning 12th July. This will enable staff to mark the exams and identify areas for development for each student before reporting to parents.

The date for parents' evening will remain unchanged on Thursday 1st July.

At the end of the examination period, students will take their papers home along with information on how to best improve.

If you have any questions, please do not hesitate to get in touch with us at the academy.

Yours faithfully

Mr G. Warnock
Assistant Headteacher

Headteacher: Mr S Evans
