A PRIORY ACADEMY

Achieving Together

# Welcome to The Priory Pembroke Academy

We are delighted to introduce you to Pembroke, an exciting and growing 11-16 Academy. We are part of The Priory Federation of Academies Trust based in the city of Lincoln. Pembroke provides a stimulating and supportive environment where everybody is able to achieve their best.

Pembroke Academy is a family. Like any family we care for, support and motivate each other, and share a common desire to be there for one another. Our Motto is "Achieving Together". The happy and calm atmosphere radiates to every corner of our academy.

The students thrive under the direction of dedicated and excellent teaching and support staff, whilst also benefiting from the high quality teaching and sports facilities.

Our curriculum offers students a chance to succeed academically as well as enjoying an enriching programme of extracurricular events. We believe the journey from Year 7 to Year 11 is exciting and rewarding.

A Pembroke Academy student will strive to work hard and will exhibit our values at all times. We truly believe this. The Pembroke values are Curiosity, Wisdom, Courage, Passion and Generosity.

I would encourage you to look at our website and social media pages. This will give you a picture of the day to day life at Pembroke. I would also encourage you to come and see our Academy and experience the enthusiasm and vibrancy that we generate every day.

Mr S Evans - Headteacher

‘Students are inspired to be courageous in a vibrant learning environment.’

## Empowering Intellectual Curiosity

At Pembroke, we provide an intellectually challenging and supportive curriculum. In this way we develop inquisitive learners who see the value in learning and achieving, and who are ambitious in their plans for the future.

We have high expectations of our students, and our staff will support them in fulfilling their potential. Students will gain the discipline to learn; their progress is checked rigorously through regular assessment which is reported to parents by the termly checking system, reports and parents' evenings.

‘The journey the students are on is shared by the staff and we work together to ensure everybody succeeds and feels valued.  
‘Achieving Together’ is our motto.’

‘Students demonstrate a passion for the many and varied extra-curricular activities they take part in.’

A Pembroke student embraces challenge and is ambitious for their own future.

We pride ourselves on nurturing tolerant, open-minded and forward-thinking young people who are ready for the challenges of further education and work. Indeed, as part of the Priory family of academies, we offer our Year 11 leavers the chance to continue to study a wide range of academic and vocational subjects at the fantastic facilities across the Priory Federation. We have the opportunities to match their aspirations.

‘The teaching of spiritual, moral, social and cultural education is at the core of our curriculum, instilling a strong sense of integrity and mutual respect in each of our students, allowing them to fit in to the global community in which we live.’

The Academy is on a journey, putting learning and ambition firmly at the heart of everything it does. Pembroke students are valued, listened to and respected for what they bring to us as individuals and as a community. They go on to take positions of responsibility within the school community and take pride in exemplifying and helping to shape the ethos of the Academy.

‘Through experience and reflection, students gain the wisdom needed to become responsible citizens and make good choices in life.’
