

PEMBROKE
A PRIORY ACADEMY

Wednesday 10th January 2018

Dear Parents/Carers

We would like to take this opportunity to remind you and students that aerosols should not be brought onto the academy site. This includes perfumes and any other liquid which is dispensed through a vaporizer, atomiser or spray bottle.

We have increasing numbers of students and staff with allergies to these sprays or who are asthmatic. Unfortunately, in the past year we have had a student hospitalised as a result of an asthma attack triggered by aerosol spray which is unacceptable. The risk to these individuals is extremely serious and so for the health and safety of all students these items are banned from the academy site. If your child wants to bring deodorant into the academy for personal hygiene reasons, then we kindly request that they bring a roll-on.

Any student found using or in possession of these items will be dealt with appropriately by staff at the academy and the item will be confiscated. We ask that you discuss this with your child/children to reinforce the importance of these items not being brought onto site.

Thank you for your ongoing support with this issue.

Yours faithfully

Miss K Creaser
Designated Safeguarding Lead

Mrs T Hepplestone
Deputy Designated Safeguarding Lead

Headteacher: Mr S Evans
