

PEMBROKE
A PRIORY ACADEMY

Friday 5th April 2019

Dear Parent/Carer,

Another module comes to an end and yet again we look back with astonishment at what we have achieved together. The passion for the English language is growing as students and staff are striving to use each Word of the Week in context and our well-being event this module involved a 20 minute "Drop Everything and Read" each day for a week to coincide with World Book Day. It was great to see students and staff discussing the books they had read and sharing new experiences. Students were able to meet Sam Ruddock, a Paralympian athlete who visited the Academy. Sam gave students some wise advice, including how to have the courage to be the best you can be and to not give up on studying for GCSE exams. Our Magistrates "Mock Trial" team secured a victory in their competition and will now compete at the regional finals in Mansfield after Easter. All of our Year 7-10 students visited the Careers Fair at Priory Witham Academy, further preparing them for life beyond Pembroke. Students' cultural capital has been developed in trips to Lincoln University for a poetry masterclass and the Year 10 Triple Science class visited the moon at The Collection in Lincoln.

Along with everything mentioned above our students continue to show passion and generosity in competing in sports fixtures and working with our local primary schools as sports leaders or artistic experts. Parents and friends of the Academy can best keep up with Pembroke life by following @PrioryPembroke on Twitter, searching for 'Priory Pembroke' on Facebook or regularly checking www.priorypembroke.co.uk to keep up to date with the news and stories from the Academy.

I would like to take this opportunity to highlight the importance of safety around the Academy site. We have ensured that students are accessing the bus stop at the beginning and end of the day safely, and avoiding the car park. May I ask for parents and carers who drop off and pick up students in cars to be mindful in where they park, taking care not to block the bus stop on the road or stop on the yellow lines. A further note on safety, it is great to see so many students biking to school and the vast majority of children wearing helmets. It is an important safety item that can make the difference in saving lives.

We have another busy module coming up and below are some important dates for your diary:

- Wednesday 24th April: Year 9 careers trip.
- Week beginning Monday 29th April: book fair.
- Thursday 2nd May: Year 7 Parents' Evening.
- Wednesday 22nd – 24th May – Year 7&8 residential Bushcraft trip.

I trust everyone in the Pembroke family will enjoy the rest over the Easter break and I look forward to seeing the students back on Tuesday 23rd April, 2019.

Kind regards,

Mr N Bibby
Assistant Headteacher

Headteacher: Mr S Evans
