

Dear Parents/Carers

We are pleased to inform you that your child has received their Priory Trust Report. This report has been published to the SIMs Parent App.

In this report, your child has received an end of course forecast grade for each of their subjects. This forecast grade has been based on their recent assessments, plus any completed non-examined assessment (coursework). Please note that students that study Combined Science receive two GCSEs and therefore have two forecast grades, in the format 5 5. Your child has also been issued an Attitude to Learning grade (AtL). These are determined by the extent to which your child embodies our school rules: Be Ready; Be Safe; Be Respectful. Each of the three rules will receive a grade for each subject your child studies. the AtL indicator on the Trust Report has been given a letter of A-D. There are full descriptors of these letters at the end of the report document.

In Module 4, you will receive a written report for your child. This will include AtL and forecast attainment grades, a written report from your child's form tutor, as well as a breakdown of strengths and weaknesses in both knowledge and skills in each subject. This will help you to better understand the next steps your child needs to take to progress in their learning, as well as inform you of any additional support you may be able to provide at home.

Finally, I would like to take this opportunity to remind you of the following key dates for this academic year:

**Visit to Lincoln University: 1<sup>st</sup> April 2026.** Year 10 students will take part in an introductory visit to Lincoln University, where they will enjoy a guided tour of the campus, attend a lecture about university life, and take part in a Q&A session. This experience is designed to give students a first insight into higher education and inspire them to think about future opportunities. Further details to follow.

**Year 10 Mock Examinations: W/C 20<sup>th</sup> April 2026** – Your child will sit mock examinations in all of their subjects. The purpose of these exams is to get students accustomed to formal exam rooms and conditions again, as well as the important process of revision and reflecting on their eventual performance. Students will be afforded the opportunity to reflect on their performance and take any relevant learnings into Year 11. Mock results will be uploaded to the SIMs Parent App.

**Work Experience Week: 18<sup>th</sup> – 22<sup>nd</sup> May 2026.** Please be reminded that Work Experience Week is approaching. As outlined in the recent letter from Miss M Smith, all students must upload their work experience details to Grofar. We kindly ask parents to ensure this has been completed so that placements can be confirmed and preparations made.

**Headteacher:** Mrs H Spoores

**The Priory Pembroke Academy**, Croft Lane, Cherry Willingham, Lincoln LN3 4JP

**Tel:** 01522 751040 **Email:** [generalenquiries@priorypembroke.co.uk](mailto:generalenquiries@priorypembroke.co.uk) [www.priorypembroke.co.uk](http://www.priorypembroke.co.uk)

The Priory Pembroke Academy is part of The Priory Federation of Academies Trust. For further information please contact:

The Priory Federation of Academies Trust, Cross O'Cliff Hill, Lincoln LN5 8PW Telephone: 01522 889977

Registered Company No: 6462935. DfE Registration No: 145052

**Year 10 Parents' Evening: Thursday 11<sup>th</sup> June 2026**— An opportunity to meet each of your child's teachers to discuss their progress in every subject.
