Dear Parent/Carer

**Year 9 Parents' Evening and Options information event**  
**Thursday 12<sup>th</sup> February 2026**

We would like to invite you to the Year 9 Parents' evening and Options information event which will take place on Thursday 12<sup>th</sup> February 2026, from 4.30 pm – 7.00pm.

This evening provides an important opportunity to discuss your child's progress with their English, mathematics and science teachers. These appointments will take place in the dining hall and an adjacent classroom, and will last for five minutes each. If you feel you need more time to discuss any particular issue, we would be happy to arrange a follow-up appointment at a convenient time.

As we are at the beginning of the Year 9 Options process, the event will also include a Subject and Careers Fair in the main hall, providing opportunities to speak with teachers from all GCSE and vocational subjects to learn more about the courses available. These conversations do not require appointments and offer a valuable chance to ask any questions you may have about the subjects on offer. Miss Smith and Mx Sadler, our Careers Coordinators, will also be available to discuss Key Stage 4 and post-16 pathways. In addition, several post-16 and apprenticeship providers will be present to support conversations about the most suitable subjects for your child's future aspirations.

Options booklets will be issued to students following an assembly in the week beginning 9th February. All information contained in the booklet will also be available on the school website for you to access at your convenience. Students will submit their option choices through the SIMS Student app. This feature will go live on 13th March, after a series of careers lessons delivered during Personal Development time between 23rd February and 13th March to support students in making informed decisions.

Please use the [link](#) to confirm whether or not you will be attending this important event. If you have indicated that you will be attending, your child will make appointments with their subject teachers and record them in their planner.

We hope you will be able to join us and look forward to welcoming you.

Yours faithfully
