

Dear Year 8 students, Parents and Carers

As we come to the end of remote learning we would like to congratulate students for their resilience in adapting to remote learning; for their wise, passionate and curious contributions to live lessons and for continuing to produce high quality work.

We would also like to thank all parents and carers. The support and encouragement you have provided each day for your young people as they complete their remote learning is invaluable; as is your continued support of Pembroke which allows us to achieve together.

Below you will find the timetable for the final week of live lessons. We look forward to then welcoming you all back to the classroom.

For further details of the return to school, please see the [Phased Return to School](#) letter.

Yours faithfully

Mrs S Warnock
Assistant Headteacher
