

PEMBROKE
A PRIORY ACADEMY

19th October 2026

Dear Parents and Carers,

End of Module Celebrations

I am writing to inform you that in the final week of this Module all students will be involved in our inclusive end of module celebrations. This will include celebratory house assemblies where those students who have exemplified our values will be acknowledged and celebrated. Additionally, every student will take part in our end of module celebration event which will celebrate the outstanding start they have made to this academic year at Pembroke Academy.

Our Year 7 students have made a very positive start to life at Pembroke and have settled quickly into the school community. They have adapted well to new routines and embraced opportunities both inside and outside the classroom with enthusiasm and confidence.

Our Year 8 students have returned to school with a mature and focused attitude. Having built strong foundations last year, they have settled well into the academic year and continue to demonstrate positive engagement with their learning and the wider life of the school.

Our Year 9 students have made a strong start to the year, showing increasing independence and responsibility in their studies. They have settled back into school routines quickly and are continuing to develop the skills and resilience needed as they progress through Key Stage 3.

Our Year 10 students have approached the year with a positive work ethic and a growing awareness of the importance of their GCSE courses. They have settled well into the increased demands of Key Stage 4 and are demonstrating commitment to achieving their full potential.

Our Year 11 students have started the academic year with focus and determination as they prepare for their forthcoming mock examinations and final GCSE assessments. They have shown maturity and dedication in their studies, making a purposeful start to this important year in their education and taking strides towards their next steps.

End of Module Celebration Event

Students should attend their normal timetabled lessons where they will be registered by their teacher. They will then attend the main school hall for a brief year group address, before being treated to a film and provided with a snack. Weather permitting, students can opt to utilise our 3G pitches for the remainder of the afternoon for a more active alternative. Students intending to use the 3G pitches are reminded to bring suitable footwear to access the 3G pitch.

Monday 19/10/26 – Year 7 End of Module Celebration Event

Tuesday 20/10/26 – Year 8 End of Module Celebration Event

Wednesday 21/10/26 – Year 9 End of Module Celebration Event

Thursday 22/10/26 – Year 10 End of Module Celebration Event

Friday 23/10/26 – Year 11 End of Module Celebration Event

Finally, we would like to thank all parents, guardians and carers for their continued support and efforts in making the start to this academic year so successful. We are looking to reward all students every module for their achievements and exemplification of our values: passion, wisdom, curiosity, generosity and courage. By instilling these values in our young people, they become well equipped to become citizens of the world. These inclusive celebration events are just one initiative we are introducing to further encourage the development of these values in our students. We look forward to sharing more exciting plans in due course.

We look forward to celebrating your child's achievements next week.

Yours faithfully,

Headteacher: Mr M. Dominy
