

**PEMBROKE**  
A PRIORY ACADEMY

Dear Parents/Carers

I am excited to be able to offer your child the chance to participate in Pembroke's Sports Leadership Academy for 2020-2021. If your child is successful in gaining a place in the Sports Leadership Academy, they will receive training through the School Games programme and be given the opportunity to deliver sports events and challenges to primary school children. This could be through delivery of school sports days or competitions between school teams, (when restrictions are lifted), or through creating virtual challenges and demonstration videos to share with other schools.

The training received will include practical and classroom based activities, which will enable all participants to:

- Recognise what a successful event should look like
- Use SMILES and STEP principles to help plan, organise and deliver a successful competition for all pupils
- Recognise different competition formats and put them into practice
- Recognise safety considerations for planning and organising a competition.
- Future employability skills such as leadership, organisation, time management and social skills.

Any training will take place throughout the year and may require work to be completed from home, or virtual training sessions via group discussions on Zoom / Teams meetings. All information will be shared with parents in advance, should your child be offered a space in the Sports Leadership Academy.

If your child wishes to be considered for the Sports Leadership Academy, then the attached sheet should be completed by your child and returned to the PE department.

Kind Regards,

Mr R Pledger

I am good at \_\_\_\_\_

and think this will help to be a good young leader. I am also  
(Try to add another couple of things that you are good at that you feel will make you a good Young Leader)
