

**PEMBROKE**  
A PRIORY ACADEMY

12<sup>th</sup> February 2021

Dear Parents and Carers,

We're almost half way through another school year, and what a year it has been. The last few months have been so strange that it's almost hard to recall the time before lockdown and what 'normal' school life was like, but with so much always happening at Pembroke it is wonderful seeing what you all do day in day out.

As Governors, we know that a broad curriculum is important for children's learning. It has been wonderful learning about all the different activities and experiences that the children have the opportunity to try.

We met as a Governing Body only this week to review progress so far. I was most impressed by the amount of effort that has gone into the last 6 weeks in order for the remote learning to be as successful as it is. Everyone certainly is "achieving together".

On behalf of the Governing Body, I would like to say a huge thank you to all the staff. This will certainly be a period of time we will not forget. So many staff have stepped out of their comfort zones and taken to teaching much larger than normal groups in their stride. I applaud you all.

And finally, I would like to thank you as Parents/Carers for your continued support. Pembroke is a growing and successful academy. I have watched it grow from the start. With your confidence and belief, Pembroke is a truly a wonderful place achieving wonderful things.

Well done to you all!

I wish you and your families a safe and happy half term.
