

PEMBROKE
A PRIORY ACADEMY

Tuesday 23rd January

Dear Parent/carer

We are writing to inform you of some changes that we are making to the Academy PE kit from September 2018.

When the Academy opened we introduced a new uniform, and the students have been praised for how smart and well-presented they look, not only by us but by members of the local community as well. The next step we are to make is to bring the PE kit in line with the new uniform so as to have the Pembroke colours and badge running through every aspect of academy dress. This will not only bring the PE kit in line with the uniform but it is a more practical colour and has been simplified in terms of what is required.

There will be no expectation for parents/carers to buy anything immediately, but when kit needs replacing between now and September it should be replaced with the new kit. All students will be expected to be wearing the new kit from September 2018. It will be on sale from February 2018 and will be available to buy via our supplier Uniform Direct.

Please find attached the itemised list of the new PE kit for your reference.

Should you require any further information please do not hesitate to contact us.

Yours Faithfully

Mr N Newbold
Deputy Headteacher
