

**PEMBROKE**  
A PRIORY ACADEMY

Dear Parent/Carer,

Your child has been given a username and password for an online platform called Educake. Educake is a homework and revision system for secondary schools. Students can use it on a PC, tablet or smartphone by going to [www.educake.co.uk](http://www.educake.co.uk).

Educake makes revision easy and effective. Students can set themselves quizzes for more practise. They can see how they are doing on every topic and can identify areas to revise based on their progress.

Teachers will set homework quizzes on Mondays that will be due on the following Monday. Quizzes can be retaken as many times as students want to improve their score. Every question is auto-marked and students get instant feedback. If they're not sure where to start, the revision wizard shows them which topics they need to work on and creates personalised quizzes.

The next page of this letter will show you how Educake works. If you have any questions, you can always talk to your child's teacher about Educake, or you can email us at [support@educake.co.uk](mailto:support@educake.co.uk). Below is a 2 minute video that gives you an overview for your information.

Yours sincerely,  
J Daubney
