

PEMBROKE
A PRIORY ACADEMY

7th December 2020

Dear Parents & Carers

A positive case of Covid-19 has been reported in the academy's Year 10. Lincolnshire Health Protection Team has advised that we ask the close contacts of the pupil to self-isolate for a period of time from the date the student was in school. We have followed the guidance on close contacts and have identified the students who fall under this definition.

They have been contacted and will not be in the academy for the necessary period. The remainder of the Year 10 cohort and any close contact siblings will continue to attend the academy as normal.

I realise this is a concerning development, but please be reassured that we have been diligent in our following of the guidance and continue to place your child's safety at the top of our agenda.

If you have questions or concerns please, email or phone the school.

Please continue to support us by reminding your child about the social distancing, hand cleaning and coughing into a tissue. If your child develops Covid symptoms, please follow the government guidance in terms of isolation and testing.

Regards

Mr Evans
