Dear Parent/Guardian,

## Your child's COVID-19 vaccination

Following the visit by Lincolnshire Community Health Services to your child's school, we are delighted to confirm further vaccination opportunities are now available at the locations and times below. These walk in appointments are available for any child aged 12-15 who was unable to be vaccinated on the day we visited their school or any child where the decision not to have the vaccine during the school visit has now been reconsidered.

Please click on the following link to complete the online consent form for your child(ren): <u>https://www.lincolnshireimmunisations.co.uk/Forms/Covid</u> The on line consent form MUST be completed prior to walk in attendance at the following centres as we continue to operate under specific rules set for the covid 19 vaccine.

Please note, that updated guidance from the JCVI now indicates that covid vaccinations can not be given to those within 12 weeks of testing positive for Covid 19 but can be given at any time interval with any other childhood vaccinations. This vaccination is recommended to help protect your child against COVID-19. COVID can be an unpleasant illness and sometimes

causes serious complications. Vaccinating your child will also help protect more vulnerable family and friends by preventing the spread of COVID.

We would encourage you to discuss the information below with your child/young person when making your decision, and want to reassure you that we will be working within the existing legal framework for consent, and that no vaccinations will be given to anyone who declines on the day, or in any cases where there is a difference of opinion about consent.
