

PEMBROKE
A PRIORY ACADEMY

Dear Parents/Carers

Subject: Exciting Summer Opportunity for Your Child – Join Energize – Local Youth Summer Holiday Schemes!

We hope this letter finds you and your family in good health and high spirits as we approach the summer holidays. We are writing to share an exciting opportunity for your child to participate in the locally run Youth Scheme, a week-long program filled with a variety of events and activities designed to promote personal growth and self-esteem.

The Energize youth Holiday Scheme is an engaging and enriching programme that aims to provide young people with diverse experiences, fostering their development and enhancing their life chances. The activities and events organized throughout the week are carefully designed to inspire, challenge, and support your child's growth in multiple areas.

During the program, participants will have the chance to explore a wide range of activities, including sports, arts and crafts, team-building exercises, workshops, and much more. Some weeks even include exciting trips to local attractions and venues, which add an extra element of adventure and exploration. These experiences not only create cherished memories but also encourage personal development and the acquisition of valuable life skills.

Participation in the youth Holiday Scheme aligns perfectly with the Pembroke remit of citizens of the world and life chances. By actively engaging in this program, your child will broaden their horizons, gain a better understanding of different cultures and perspectives, and develop a sense of social responsibility. These invaluable experiences will contribute significantly to their personal growth and equip them with the tools they need to succeed in an increasingly interconnected and diverse world.

We strongly encourage you to consider enrolling your child in the Youth Holiday Scheme this summer. It is an excellent opportunity for them to make new friends, explore their interests, and embrace new challenges while having fun in a safe and supportive environment.
