18th June 2018

To the Owner/Occupier

Dear Sir/Madam

LINCOLN EASTERN BYPASS IMPROVEMENT SCHEME

**ADVANCE NOTIFICATION OF HAWTHORN ROAD CLOSURE BETWEEN 6AM
MONDAY 25TH JUNE 2018 AND 6PM FRIDAY 29TH JUNE 2018**

I am writing to inform you that we will be undertaking essential construction works on the public highway to provide an essential construction crossing and thereby enable ongoing safe progression of the Lincoln Eastern bypass scheme.

During this period, pedestrians and cyclists will be permitted access through the site, however it will be necessary to close part of Hawthorn Road between Lincoln and Cherry Willingham to vehicular traffic.

A detail showing the limits of the road closure (marked in red) and traffic diversion arrangements are enclosed for your information.

Access to properties will be maintained throughout the closure period via A158 Wragby Road/Bunkers Hill for destinations to the west side of the closure limits and via Cherry Willingham for destinations to the east side of the closure limits.

I can confirm the decision to proceed with these works has been taken with full consideration given to alternative means of construction and traffic management.

All reasonable measures will be implemented to complete these works and remove the closure at the very earliest opportunity and every effort will be taken to minimise disruption and inconvenience.

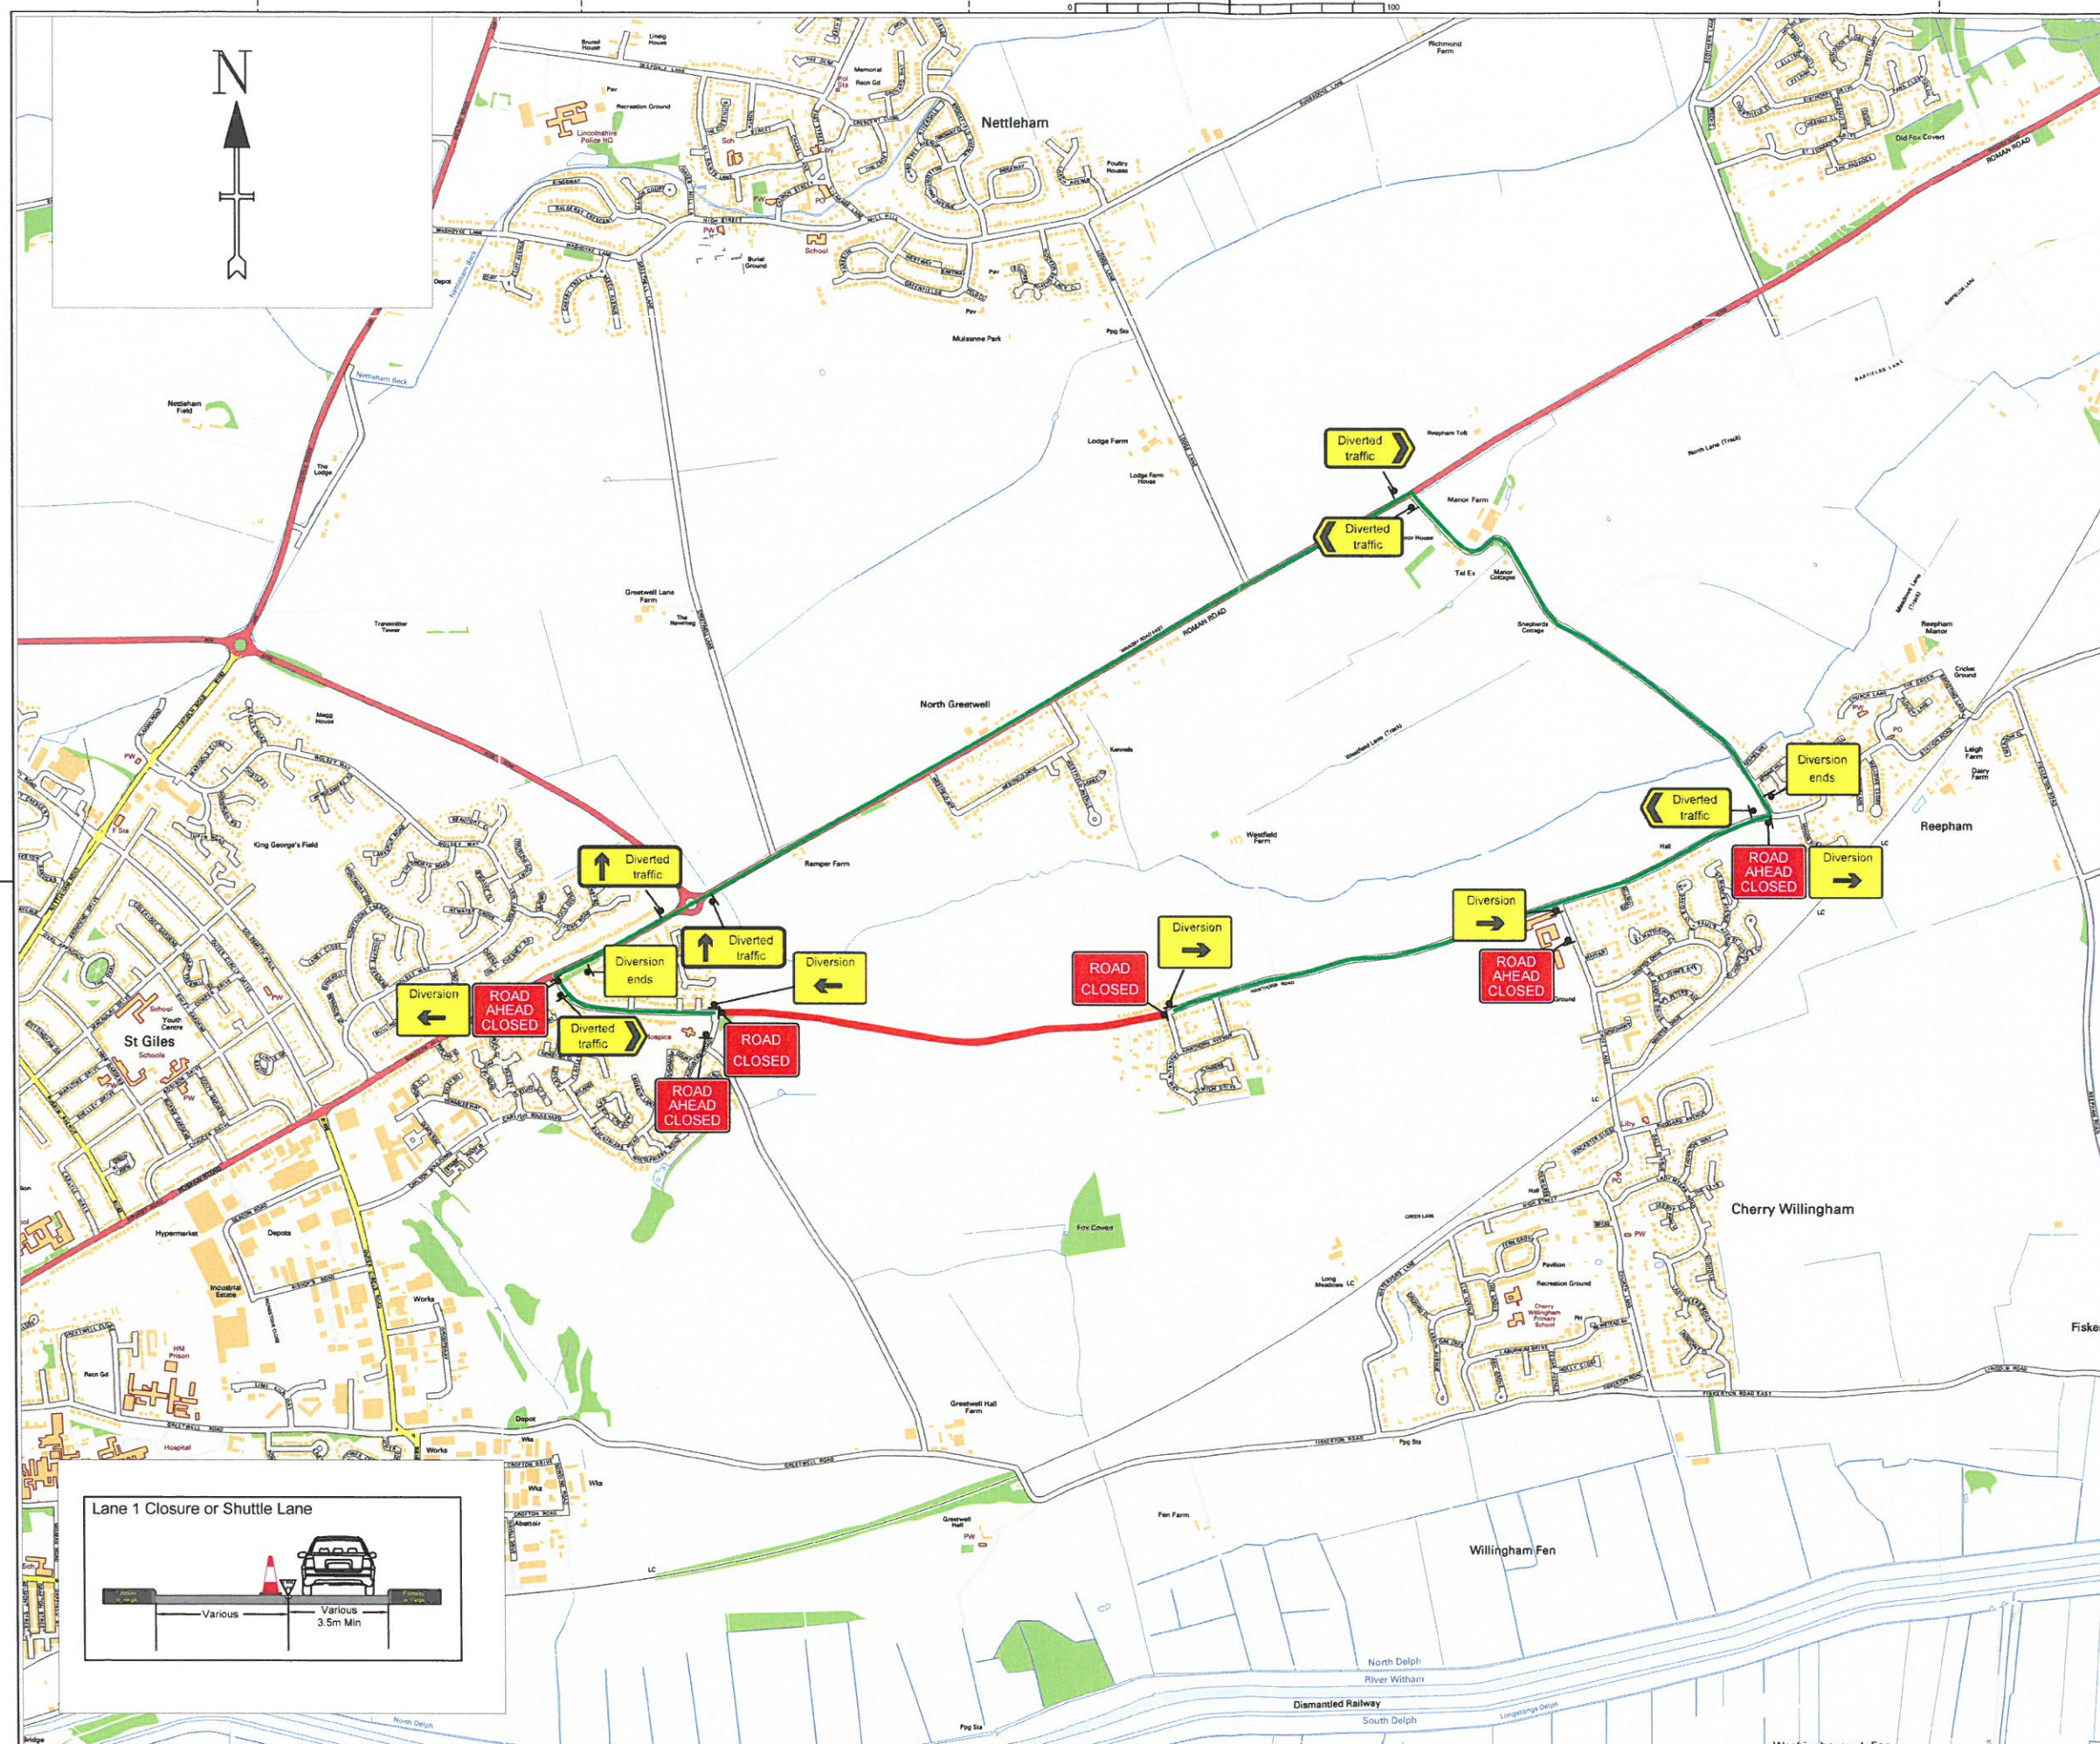

Your co-operation and understanding during these works will be much appreciated, but should you have any specific needs or requirements or require further information, please do not hesitate to contact me on the telephone number given above.

Yours Faithfully,

Steven Flanagan, Project Manager LEB

HAWTHORN ROAD CLOSURE- MON 25th - FRI 29th JUNE 2018

Notes

THIS DRAWING MAY BE USED ONLY FOR THE PURPOSE INTENDED AND ONLY WRITTEN DIMENSIONS SHALL BE USED
