Year 11 Parents Evening

Dear Parent/Carer,

In my letter to you last month were a list of Key Dates for your diary, including Parents Evening scheduled for Thursday 22nd October. I also explained that because of the current situation these dates are subject to change. Unfortunately we need to postpone the planned Parents Evening for this Thursday.

The students will receive their module grades at the end of this week. These are the grades that teachers are predicting the students will achieve at the end of the year along with their Attitude to Learning grades. With the disruption to normal learning over the last seven months the predicted grades may differ from those given at the end of Year 10. However, it is important to understand that progress can still be made and higher grades are achievable for all students.

We are exploring ways in which we can hold a parents evening of some sort – this is likely to be a ‘virtual’ event, possibly using video calls. We will communicate details of this event in due course.

Meanwhile, if you have any concerns, or would like to discuss the progress of your child, do not hesitate to contact me using the details at the bottom of the page.

I hope the students have a safe and restful half-term break and return re-energised for the new module.

Kind regards,

Mr N Bibby
Assistant Head
Personal Development and Relationships

Headteacher: Mr S Evans
