

**PEMBROKE**  
A PRIORY ACADEMY

Friday 25<sup>th</sup> May 2018

Dear Parents/Carers

The GCSE period for Year 11 students is now well underway and they have impressed staff with their hard work and determination through what is arguably a very stressful time. Next module they have their end of year celebrations and Prom to look forward to and we are delighted to be able to share this part of their journey with them. We would like to wish Year 11 all the best of luck for their remaining exams. All other year groups are in the process of going through their mock examinations and have been busy in lessons preparing for these – we look forward to seeing the results!

As you will have seen from our Twitter and Facebook feeds this module has been incredibly busy. A group from Year 7 became the first students from Pembroke to go to France and visit the Centre des Etoiles. It was a fabulous week and the students were a credit to themselves and Pembroke. They got to practice their French, try new foods (snails for some of them!) and even milk a goat! Pembroke had a visit from Sam Ruddock, a Paralympic track and field athlete, who came to deliver inspirational talks to our students. This was a fantastic day and we had so much positive feedback from students. Last week saw the first ever 'Pembroke's Got Talent' and it was a triumph! The students were incredible – each with their own reasons for performing. It was truly great to see these students pluck up the courage to get on stage and perform – their bravery is commendable. Well done to all who performed.

If you have not already seen our Twitter and Facebook pages then I encourage you to do so – there is so much going on!

As you will have seen the academy gates are now in place. The entrance into the car park is now a two-way system during the day so please be mindful of this when entering and leaving the site. There is a footpath in the far right hand side of the car park which will take you to main reception. We would like to thank parents/carers for their cooperation with this new system.

Looking forward to next module there are a few dates I would like to make you aware of:

14 <sup>th</sup> May – 22 <sup>nd</sup> June 2018	Year 11 GCSE Examination Period
Friday 29 <sup>th</sup> June 2018	Year 11 Prom
Friday 20 <sup>th</sup> July 2018	End of academic year!

We wish students a restful break and look forward to seeing them on Monday 4<sup>th</sup> June 2018.

Yours faithfully

Miss K Creaser  
Assistant Headteacher
