PEMBROKE
A PRIORY ACADEMY

All school transport is operated through Lincolnshire County Council.

The following pages are a guide on the times and routes of buses to The Priory Pembroke Academy.

Home to School – [LCC Website](#)

If your child is of statutory school age, free school transport will be provided if they:

- attend a school within [the designated transport area \(DTA\)](#) for their home address
- attend a school nearer to their home address than the DTA school
- attend a school allocated by the county council because there were no places in nearer schools
- **and**, live:
 - more than two miles away (up to age 10)
 - more than three miles away (between ages 11 and 16)

If you live in a town, transport will only be provided to the nearest school, subject to the distance criteria above.

If you think that your child's route to school, or a pick-up point, is too hazardous to walk, you can request an assessment by emailing schooltransportapplications@lincolnshire.gov.uk

Important: Transport is only provided at each end of the school day and is only available to and from the child's main home address.
