

# What is my child studying?

## Year 7, Module 2

Subject	Unit title and details	Independent Learning Tasks
Art	<b>Topic: 'Funky Fish'</b> - baseline assessment project which explores a range of artists and materials and techniques. The outcome will be a ceramic decorative slab piece.	<p><b>Compulsory Independent Learning activity:</b> Create two designs for your funky fish tile.</p> <p><b>Additional Independent learning activities available on Teams</b></p>
Computing	<b>Topic – Collaborating Online Respectfully:</b> This unit is to be completed before we move onto the next unit: <b>Modelling Data (Spreadsheets)</b> This unit allows students to confidently model data with a spreadsheet. The unit uses engaging activities to progress learners from using basic formulas to writing their own functions & other statements. This unit will give learners a good set of skills that they can use in computing lessons and in other subject areas.	<p><b>Compulsory Independent Learning activity:</b> Show that you are able to log on to your school account from home, by sending a respectful email to your Computing teacher. You can extend this task by knowing how to copy yourself into the same message and add an attachment containing an example of your recent work: eg your Cyberbullying PPT or a completed <b>'Collaborating Online Respectfully'</b> Workbook</p> <p><b>Deadline:</b> Complete this activity by <b>Fri 1 December.</b></p> <p><b>Additional Independent learning activities available on Teams</b></p>
Drama	<b>Topic – Greek Theatre:</b> Year 7 will be exploring the origins of theatre and how things have changed over the course of time. Students will explore how to successfully work as a chorus and experiment with a Greek Play: <b>King Oedipus</b>	<p><b>Compulsory Independent Learning activity</b> Students will need to complete a quiz, that will test their knowledge on the content explored over the first two modules of drama.</p> <p><b>Additional Independent learning activities available on Teams</b></p>
English		<p><b>Compulsory Independent Learning Activity</b></p> <p><b>Additional Independent learning activities available on Teams</b></p>
Geography	<b>What are the physical and human features of our Island home?</b> This unit seeks to familiarise students with the UK, whilst introducing key geographical concepts and terminology to support future modules and understanding.	<p><b>Compulsory Independent Learning activity:</b> Research a region in the UK which they will be designated during the lesson. Find out the physical features, any famous people from that region, landmarks and photos. This information will help them complete a task in a lesson.</p> <p><b>Additional Independent learning activities available on Teams</b></p>
