Pembroke Vision

- At Priory Pembroke Academy, we are committed to ***achieving together through consistently high standards and expectations demonstrated through the values of wisdom, courage, generosity, curiosity and passion.***
- As part of this commitment, we have developed a clear and purposeful approach to homework that supports each child's learning journey.

Be Ready

Be Safe

Be Respectful

Why Homework Matters

Homework that is directly linked to in-class learning, when completed consistently, can have a significantly positive impact on the progress of young people.

The Education Endowment Foundation found that students who regularly completed homework made an average of **5 months additional progress** compared to those who did not complete homework.

Homework provides students with valuable opportunities to

- practise and apply what they have learned in class,
- enhance learning by studying additional information or examples linked to the topic
- develop time management, discipline, and responsibility, and
- prepare for the demands of Key Stage 4 courses.

Homework will support the curriculum that is being delivered in the classroom.

Be Ready

Be Safe

Be Respectful

Why Homework Matters

We understand that family life varies, so homework will only be set when it serves a clear educational purpose:

- ✓ Enhancing the curriculum;
- ✓ Driving learning forward; or
- ✓ Supporting long-term memory

Be Ready

Be Safe

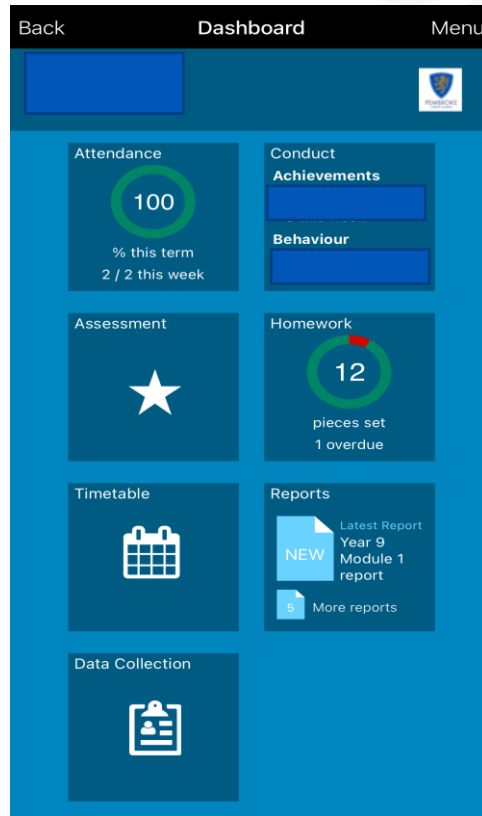

Be Respectful

How will homework be set for all year groups?

All Homework will be set using the SIMs App.

This will allow students and parents or carers to see homework tasks, resources and due dates.

SIMs Parent
App view

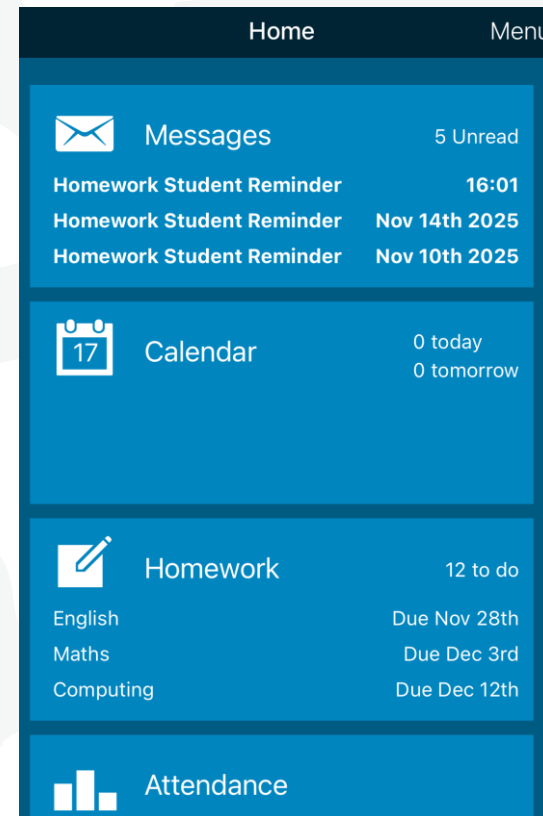

Be Ready

Be Safe

SIMs Student
App view

How will homework be set for all year groups?

All Homework will be set using the SIMs App.

This will allow students and parents or carers to see homework tasks, resources and due dates.

The screenshot shows the SIMS Student Website interface. At the top, there's a header with the SIMS logo and 'SIMS | Student' on the left, and 'The Priory Pembroke Academy' on the right. Below this is a blue banner with the school's name, logo, and contact information: 01522 751040, pembrokeenquiries@prioryacademies.co.uk, and www.priorypembroke.co.uk. The main content area is divided into several sections. On the left, there's a 'Messages' section with 5 new messages, including 'Homework Student Reminder' with due dates like 16:01, 14 Nov 2025, 10 Nov 2025, 8 Nov 2025, and 4 Nov 2025. In the center, there's a 'Calendar' section showing the date 17. On the right, there's a 'Homework' section with 12 tasks to do, including Maths (Due 19 Nov), English (Due 28 Nov), Spanish (Due 30 Nov), Maths (Due 3 Dec), and Computing (Due 12 Dec). At the bottom, there's a navigation bar with icons and labels for 'Activities', 'Attendance', 'Conduct', 'Reports', 'Timetable', and 'SIMS Options'.

Homework Structure

Weekly Homework Platforms:

- **English** → Bedrock
- **Maths** → Sparx
- **Science** → Educake

The homework added to the SIMs App will contain links to each platform.

Other subjects:

- Homework will be set **at least**
 - **Approximately 30 minutes, once per module (Y7-9) and**
 - **Approximately 30-60 minutes, twice per module (10 and 11)**
- A reasonable deadline will be given (at least a week)

Be Ready

Be Safe

Be Respectful

Accessing Homework on the SIMs App

All homework, even those set for future dates, can be viewed in the same format on both the Parent and Student Apps.

Links to Sparx./Bedrock/Educake etc within the app will take you out of the SIMs app to the log in page.

Submitting Homework on the SIMs App

- The SIMs App does not 'talk' directly to the online platforms.
- This means submitting a task on Educake etc does not automatically mark work as submitted on the SIMs App.
- Where staff have requested 'In Person' submission, they will update each student's profile when homework has been received.
- Most homework is set to allow online submission.

Be Ready

Be Safe

Be Respectful

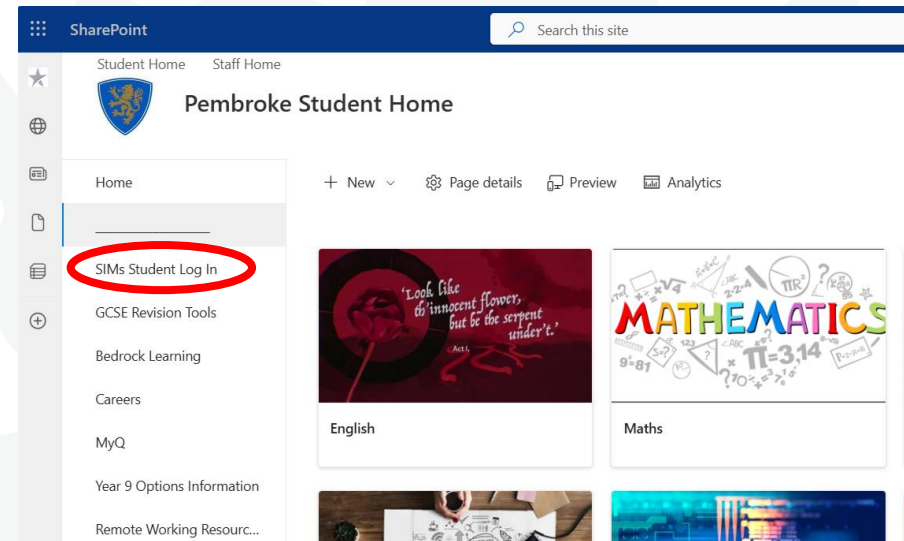

Submitting Homework on the SIMs App

The Sims Apps do not currently offer the function to hand in work completed online.

Students will need to log into www.sims-student.co.uk (laptop, tablet, desktop).

A link to this can be found on the Pembroke Student SharePoint page, and also the Homework section of the school website.

Students will need to upload a document or photo and then click the 'submit for marking' button.

Be Ready

Be Safe

Be Respectful

Submitting Homework on the SIMs App

Select the Homework section,

open the homework task,

click 'upload' to add a file or photo (the photo can be a screenshot of the completed Sparx section)

Students will then click the 'submit for marking' button.

The image displays two screenshots of the SIMS Student app interface. The top screenshot shows the main dashboard with a blue header for 'The Priory Pembroke Academy'. Below the header, there are sections for Messages, Calendar, and Homework. The Homework section is highlighted, showing a list of tasks with due dates. The bottom screenshot shows a specific quiz submission screen for 'Science' set by Mrs J Daubney. It includes a description of the quiz, a 'Submit' button, and an 'Upload' button for attaching a file. Below the submission screen, there is a table titled 'Your latest 3 quizzes' showing quiz details and scores.

Subject	Quiz name	Set by	Completed	Score
Chemistry	Atoms, elements, and compounds: the basics and Mixtures	Miss Wardle	16-11-2025	93%
Chemistry	Atoms, elements, and compounds: the basics: Mixtures and Chemical equations	Miss Wardle	09-11-2025	90%
Biology	Diffusion and osmosis and Active transport	Miss Wardle	02-11-2025	88%

Be Ready

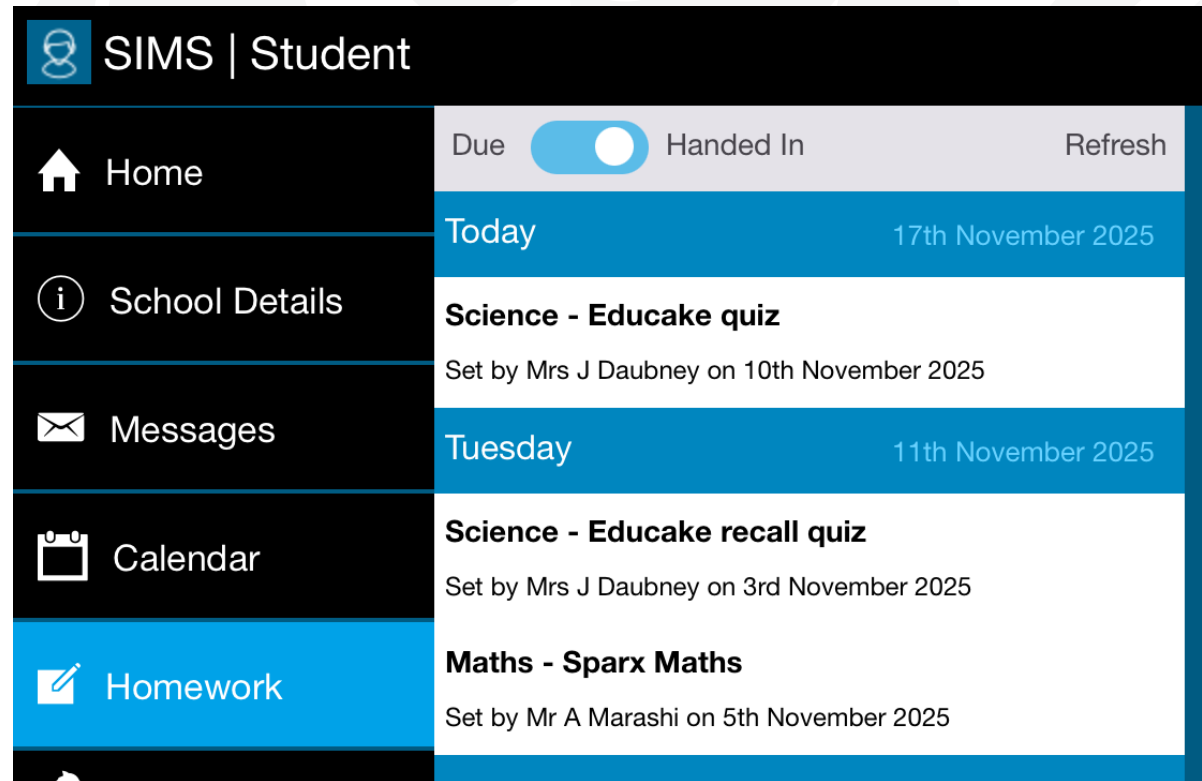

Be Respectful

Submitting Homework on the SIMs App

When the 'Submit for marking' button is clicked, the task moves to the 'Handed In' tab.

This can be viewed in the SIMs Apps as well as the web version.

Be Ready

Be Safe

Be Respectful

Feedback & Rewards

We celebrate all homework efforts!

Staff will issue a minimum 1 reward point per homework attempted. This may take a few days post submission to appear on your child's app.

Staff may award extra points for homework, this could be for many reasons, including exceptional effort, excellent quality, high scores or progress on previous work.

Instant feedback is provided via platforms (Bedrock, Sparx, Seneca etc) with students able to see their score and review answers. Staff will monitor these scores to add rewards points. Homework completion and scores will feed into Attitude to Learning grades in student reports.

Open-ended tasks may receive whole-class feedback (if appropriate for the task) and will be awarded reward points.

Maths, English and Science run an additional reward program with regular prize draws for students who engage with homework

Be Ready

Be Safe

Be Respectful

Missed Homework

- The first time homework is missed, staff will give students a reminder and extended the deadline if appropriate
- If the homework is still not complete, students will be given a ***failure to complete homework*** conduct point. This will carry 0 behaviour points, but will inform parents, carers, the student and form tutor
- If a student repeatedly misses homework, the class teacher may contact home to establish any concerns or barriers to completion and to offer support

Be Ready

Be Safe

Be Respectful

How do we ensure every child is able to access homework?

We want every student to succeed, and have put a number of strategies in place to ensure every child is able to access homework.

- Bedrock and Sparx homework are set according to your child's current academic levels based on introductory assessments completed in school. As your child completes tasks, the app is 'learning' and adjusting tasks to provide the correct level of challenge that will enable your child to continue to make progress while feeling successful.
- Online based homework platforms also offer accessibility tools, such as videos to explain key learning or accessibility features such as magnifying, video captions, choice of dyslexia friendly fonts and coloured overlays.
- Staff will also include help sheets and clear instructions when issuing homework through the SIMs app. Copies of these help sheets can be found in the [Accessing Homework: Guidance and Support Documents](#) page of the Academy website.
- If your child needs access to resources, such as to use a school computer to upload and submit a completed homework task, or a quiet space to work, we offer:
- **Homework Club (Computer Lab 4)** – Monday and Tuesday 3:05 - 4pm.
- **Independent Study (Library)** – Daily from 8:10–8:30am (with breakfast) and 3:05–4:00pm
- Staff are available during these times to provide guidance and support to students as they complete homework or other school projects.

If your child is in receipt of Pupil Premium and you would like to discuss additional support, please contact Miss L Empson via the contact details below.

English Homework: Bedrock

Bedrock

Is an online platform designed to improve your child's reading ability and comprehension via fiction and non-fiction texts.

It does this through practice of:

- **Comprehension passages – inference and understanding.**
- **Learning new vocabulary.**
- **Improving knowledge of grammar: word class and sentence construction.**

Bedrock Login

Welcome to Bedrock Learning

Login details have been given to each pupil and have been copied into their planners.

A purple login card with white input fields for 'Username' and 'Password'. Below the fields is a dark blue 'Sign in' button. Underneath the button is a link that says 'Forgotten your password? (Staff & Guardians)'. At the bottom, it says 'Or log in with...' followed by two buttons: 'Office 365' with a Microsoft logo and 'Google' with a Google logo. A red arrow points from the text box on the left to the password field.

If you have any issues with your child's login details, please email their English Teacher.

Bedrock Tasks

Students must complete tasks in either category each week and aim to complete 20 minutes a week.

Vocabulary

Learn the academic language you need to succeed.

Let's go

Grammar

Learn about the way we arrange language to show meaning.

Let's go

Be Ready

Be Safe

Be Respectful

Bedrock Engagement

2 week's homework = 20/40 points

(This is roughly about 20 mins a week)

Engagement points are assigned through:

- How much time is spend reading a particular section of text.
- Levels of engagement.
- How many questions are completed correctly.

What will not get you engagement points:

- **Reading something too quickly / scanning a text**
- **'Clicking through' arrows and drop downs randomly**

Be Ready

Be Respectful

Bedrock Rewards

The aim is to reward people who are engaging regularly in Bedrock as this will have a direct impact in improving their reading ability!

- 6 x weeks of consistent engagement (120 points) = certificate and raffle
- 2 x full modules of engagement (240 points) = a week's queue jump
- 3 x modules in a row (360 points) = vouchers for Amazon and Waterstones
- 4+ modules = first priority for author visits, library sessions and English trips

Bedrock FAOs

- How do I know if my child's teacher has seen it?

Your child's teacher will receive a weekly report tracking the engagement of those in their class. They can see easily who is engaging with Bedrock.

- What if my child gets the answers wrong?

Bedrock will automatically adjust the difficulty of questions to your child's abilities, so mistakes are welcome to ensure they are being challenged adequately. It is designed to mirror their ability and help them improve over time.

- Will I be able to monitor their engagement?

Bedrock has a parent / carer log in function so that you can see what your child is engaging with. There will be more about this in due course.

Student Feedback

"Educake is a really good platform that I use to complete science work on. It helps me with my strengths and weaknesses on smart assistance as that gives me tailored questions that I need to work on."

"I think Educake is a really good learning system for science in all areas with clear questions that show the answers and so you can work on how you got it wrong."

"I think Educake is a good place for revising and setting hw because it saves writing and its quick and easy. It re-jogs your memory over what you learnt in your lessons, and also helps you to remember things in your tests."

"I think Educake is a great tool to get ahead of classes and making revision notes. I hope it can help me get into A level biology 😊"

"I think it is really helpful as we get set work but we can set ourselves more work in order to help us with revision across the science curriculum as well as that we can test our ability and see what we have to improve on to ace our exams!!!
Thanks alot"

Be Ready

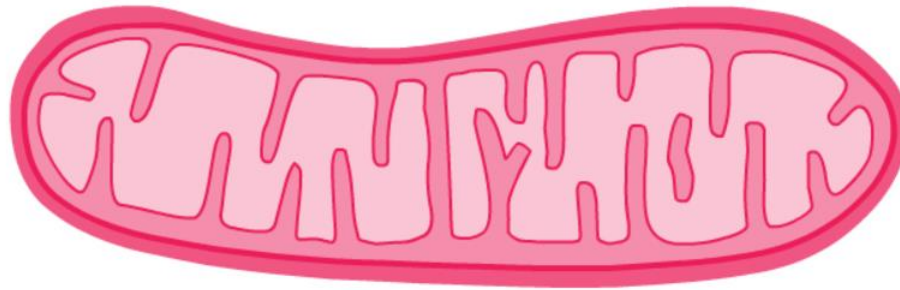

Be Safe

Be Respectful

Inside phonics and others, there are several games

Be Ready

Be Safe

Be Respectful

Spanish homework is set every two weeks.

Students must complete as much as possible.

If you have any questions about Sprachenut,

email Mrs E. Williams
