

Home learning is different to learning in school. You will need to plan your time carefully to make sure you are able to complete the work, but also do other hobbies you enjoy safely in your home.

**As we begin to consider the next steps in your education and training, the focus of your home learning will be to support you as you prepare for your chosen course or career. Alongside the work in this pack, we recommend that you use the website of your chosen college or Sixth Form to find out about the courses you have applied for. Look for reading lists or work that you can complete to get ready for the next stage of your journey in September.**

There is more help and advice available on the Careers [Sharepoint](#) page, the Careers area of the Pembroke website, or email [adoughty@prioryacademies.co.uk](mailto:adoughty@prioryacademies.co.uk) if you cannot find the answer to your question there.

<https://www.bbc.co.uk/bitesize/dailylessons> and <https://www.thenational.academy/> both provide video lessons and online resources which are freely available to support you further in your home learning. You will find links to these and other resources on the Home Learning page of the Pembroke website.

Challenges and interesting opportunities will regularly be posted on the Pembroke Academy Facebook and Twitter pages. These include art and technology challenges, links to virtual tours of museums and zoos, workouts, online learning programmes and free books.

<b>Subjects</b>	<b>Home Learning Task (please go to the subject sharepoint page to access the resources and links)</b>
<b>Assembly</b>	While we cannot meet as a whole school for a weekly assembly, there are a number of important messages that are being shared across the nation. Please log onto <a href="https://www.thenational.academy/assembly">https://www.thenational.academy/assembly</a> and watch the recorded assembly each week.
<b>Whole School Challenges</b>	We are creating a Pembroke time capsule to record this unusual time. A time capsule template with lots of ideas of things that you could put in it has been created. You will need to change fonts, add backgrounds and make it personal to you. You can use all of the ideas, some of them, or none of them if you have ideas of your own - it is YOUR time capsule. A link to the document can be found on the Science <a href="#">Sharepoint</a> . If you would like to include your time capsule in the Pembroke capsule, please email your work to Mr Wilson <a href="mailto:gwilson@prioryacademies.co.uk">gwilson@prioryacademies.co.uk</a> . If you would like to add objects to the time capsule, please bring them when school reopens.
<b>Family Challenges</b>	Students are reminded that there are a series of challenges on the <a href="#">SharePoint</a> page and school website, and a list of free to view <a href="#">theatre performances</a> available during lockdown
<b>Careers and Post-16</b>	<p><a href="#">Access free online employability courses</a>, links in the document on the Year 11 Home Learning area of the Academy website, that you could add to your CV under 'Courses completed during CV Lockdown' and really impress future employers.
