

Year 11 Independent Study Plan 9, week beginning 08/06/2020

Welcome to module 6! Home learning will continue throughout this module. You will need to plan your time carefully to make sure you are able to complete the work set.

Your next steps are important. As we begin to consider the next steps in your education and training, the focus of your home learning will be to support you as you prepare for your chosen course or career. Alongside the work in this pack, we recommend that you use the website of your chosen college or Sixth Form to find out about the courses you have applied for. Look for reading lists or work that you can complete to get ready for the next stage of your journey in September. **There is more help and advice available on the Careers [Sharepoint](#) page, the Careers area of the Pembroke website, or email adoughty@prioryacademies.co.uk if you cannot find the answer to your question there.**

New for module 6, each subject page now has a discussion board called ‘Home Learning Help’. This area will allow you to ask your subject teachers and classmates for help with any of the home learning tasks you have been set. The SMSC folder also contains a discussion board for each form group. This will allow you to keep in touch with each other. A guide to using the discussion boards can be found in the Student Support page on [Sharepoint](#)

Additional Learning resource links are available in the Home Learning section of the website, including <https://www.bbc.co.uk/bitesize/dailylessons> and <https://www.thenational.academy/> which both provide video lessons and online resources which are freely available. Challenges and interesting opportunities will regularly be posted on the Pembroke Academy Facebook and Twitter pages. These include art and technology challenges, links to virtual tours of museums and zoos, workouts, online learning programmes and free books.

Subjects	Home Learning Task (please go to the subject sharepoint page to access the resources and links)
Assembly	While we cannot meet as a whole school for a weekly assembly, there are a number of important messages that are being shared across the nation. Please log onto https://www.thenational.academy/assembly and watch the recorded assembly each week.
Family Challenges	Don't forget to check the Competitions and Challenges page in the Home Learning section of the Pembroke Website. New this week you will find the National Portrait Gallery competition, closing date 18 th June. https://www.priorypembroke.co.uk/page/?title=Challenges+and+Competitions&pid=162 and the list of free to view theatre performances available during lockdown
Careers and Post-16	<p>Access free online employability courses, links in the document on the Year 11 Home Learning area of the Academy website, that you could add to your CV under 'Courses completed during CV Lockdown' and really impress future employers. These courses will:</p> <ul style="list-style-type: none"> • Boost your employability and give you great updates for your CV. • Help you improve your study skills in time for college. • Support students applying for an apprenticeship for this September. <p>Use the links and ideas in the Confident Choices document, especially page 1-3 and 6, to learn more about your chosen courses, career options and employability skills.</p> <p>Complete the STEPS booklets to help consider future careers and employment. A copy of the booklet can be found within the Careers area of Sharepoint.</p> <p>Please check the Year 11 Home Learning and Careers pages of the Pembroke Website, along with the Year 11 Preparing for Post 16 area of Sharepoint regularly as we are continuously updating with information from colleges, sixth forms and employers.</p>

Preparing for Sixth Form	In the 'Year 11 Post-16 Preparation May 2020' Sharepoint folder you will find resources from Priory Sixth Forms to help students prepare for their post-16 courses. These workbooks and reading lists have been created to bridge between GCSE and A Level study in each subject. Please select the subjects that are relevant to you and your post-16 choices. We will update this folder with resources and links to other post-16 providers as material is made available to us.
Maths	<p>Please see your year 11 group folder on the Maths SharePoint site for specific details of work to be completed. This will include:</p> <ul style="list-style-type: none"> • 5-a-day exam question sheet • other tasks and links to websites • Past papers and mark schemes to self-check solutions • Mathswatch tasks (videos to watch and questions to do) including self-marking past papers. <p>Login Reminder: <u>Mathswatch</u> You user name is 15 followed by your first initial then your surname @priorypembroke E.g. John Smith: your username would be 15JSmith@priorypembroke Your password is attitude <u>Mymaths</u> Login: tppa Password: Circle</p>
English	Please continue to work through the revision materials in the Year 11 area of the English Sharepoint page. You can also complete the mock papers and send them to your teacher for feedback.
PE	<p>Keeping active at home is very important. The PE department have put together a series of challenges and links to activities you can complete at home. You can find the details in the PE sharepoint page: PE at Home Lincolnshire Virtual Competition – Netball Please see the secondary schools Netball Challenge details on the school website (Competitions and Challenges) for full instructions and how to enter.</p>
PSHMRE	Focus on your mental health and wellbeing, by completing a daily challenge from the grid. Tick them off as you complete them. You could make a scrapbook or journal with photos and notes of the challenges completed.
