

Year 10 Independent Study Plan 10. Week Beginning 15/06/2020

Welcome to module 6! Home learning will continue throughout this module. You will need to plan your time carefully to make sure you are able to complete the work set. A good idea is to complete a task set by the subjects you have on your timetable each day; so if you have Maths, History, Science, Art and Music on Monday, they would be the focus of your work for that day. We also recommend that you read every day; a comic, a magazine, a chapter or a full book! Please remember to check the Home Learning area of the website and the subject pages on Sharepoint for tasks and challenges, and ensure you have completed all the work from the previous home learning packs.

Please remember to share your home learning with your teachers. You should continue to demonstrate an excellent attitude to your learning by attempting all tasks to a good standard. If you have completed work please email it to your subject teacher using your school email. A list of staff emails can be found in the Student Support area of [Sharepoint](#). If it is not possible to email, please keep your work together ready to show staff when you are able to return to school, and let us know what you have done during the weekly phonecall. We look forward to seeing your work, and have restarted the subject and house points to recognise the great work we are seeing and hearing about.

New for module 6, each subject page now has a discussion board called 'Home Learning Help'. This area will allow you to ask your subject teachers and classmates for help with any of the home learning tasks you have been set. The SMSC folder also contains a discussion board for each form group. This will allow you to keep in touch with each other. A guide to using the discussion boards can be found in the Student Support page on [Sharepoint](#)

Additional Learning resource links are available in the Home Learning section of the website, including <https://www.bbc.co.uk/bitesize/dailylessons> and <https://www.thenational.academy/> which both provide video lessons and online resources which are freely available. Challenges and interesting opportunities will regularly be posted on the Pembroke Academy Facebook and Twitter pages. These include art and technology challenges, links to virtual tours of museums and zoos, workouts, online learning programmes and free books.

Assembly	While we cannot meet as a whole school for a weekly assembly, there are a number of important messages that are being shared across the nation. This week's assembly is all about Togetherness and supporting each other. We have a speaker from the Holocaust Education Trust, Vera Schaufeld, who came to the UK as a child refugee on the Kindertransport. The issues and subject matter are sensitive, and this assembly has been designed for age 9+. To access the assembly please go to https://classroom.thenational.academy/assemblies/togetherness/
Whole School	<ol style="list-style-type: none"> 1. Pembroke Time Capsule 2020. 2. Drama Challenge: You have been set a challenge to work on an individual piece of performance work. This can be anything from a dramatic speech, an interpretative dance, a song, a physical movement sequence – anything! Performances should be a minimum of 30 seconds in length and can include content of your choosing. If you wish to enter, you should record a short 30 snippet of your performance and email your entry to Mr Lawson, who will then judge all of the entries received. The deadline for this is Friday 19th June 2020. There will be a prize for the winning entry (or entries). – rlawson@prioryacademies.co.uk
Family	Don't forget to check the Competitions and Challenges page in the Home Learning section of the Pembroke Website. New this week you will find the National Portrait Gallery competition, closing date 18th June. https://www.priorypembroke.co.uk/page/?title=Challenges+and+Competitions&pid=162

Art	<p>Photography: https://www.startaskill.co.uk/course-area.html</p> <p>Follow the series of lessons on the link above introducing the basics of photography. This is absolutely ideal if you are considering GCSE Photography or GCSE art & design in the future or are already doing so. Your own photographs when mounted up will sit nicely in your portfolio as part of component 1 of the course. In fact if they are awesome then we can enlarge them and put them on display in frames in the hall. Save all your photos to your own user area in school and we can print them when you return.</p> <p>I hope you enjoy working through these lessons and taking fantastic photographs as a result. No flashy camera needed either - all can be done using your phone.</p>
Food Tech	<p>Complete the Year 10 food preparation and nutrition work and the food-security-activity-sheet. Copies of both tasks can be found in the Food Technology area of the Technology Sharepoint page.</p>
PSHMR	<ol style="list-style-type: none"> 1. Prepare for adult life with the finance lessons from Oak National Academy. Focus on your mental health and wellbeing, by completing a daily challenge from the grid. Tick them off as you complete them. You could make a scrapbook or journal with photos and notes of the challenges completed.

Sport Science	<p>To help with exam revision, you have all now been given your own accounts on the AnswerPERfect website (we have used this in lessons).</p> <p>To set yourself up on AnswerPERfect, access SharePoint through the Priory Pembroke Academy website, and click through the following steps to reach the support materials.</p> <ul style="list-style-type: none"> - PE - OCR Sport Science - Click on the image  <p>Alternatively, just click on this link! https://answerperfect.co.uk/</p> <p>You will need to login at the top right hand corner of the page. I have sent you all an email with your username. Please use the same username as the password also (you can change this password once you are logged in).</p> <p>Once logged in:</p> <ul style="list-style-type: none"> - Click on 'courses' at the top of the page - Click on the image of the performer holding their leg <p>On the right hand side you will see the titles of each LO section of the exam. Here you can choose which areas of the exam you'd like to improve on most.</p> <ol style="list-style-type: none"> 1) Choose a Learning Objective and click on it. 2) Choose a Sub-topic and click on it. 3) Complete the multiple choice quiz first (you will be given a score and a percentage, and you can also complete each quiz as many times as you like to try and beat your previous score. You will also be able to see a mini certificate when you have got a score equal to or higher than the pass mark. I will then be able to see when you did the quiz and what score you got. 4) Once you have completed the quiz for that sub topic, then complete the 8 mark question. For the 8 mark question, firstly watch the video (as we have done before in lesson) and this will help you to remember the content needed to answer the question. Then answer the question either on Microsoft Word. You may send me this to mark once you have completed the question!
D & T Timber	<p>NEA 2020-2021 (Coursework) task:</p> <p>The new NEA tasks have been released by the exam board. Full details of the task and an email explaining what you need to do at home has been sent to your school email address by Miss Gibbs.</p> <p>To allow the project to be completed during year 11, you must begin the investigation section where many of the tasks are straight forward, research based and can be done from home either on to paper hand written or digitally on power point. There will be a new task a week. It is crucial that you keep on top of these and if you are having problems to contact ggibbs@prioryacademies.co.uk asap. This is your year 11 GCSE coursework and will count towards your grade.</p>
