

**Year 10 Independent Study Plan 11. Week Beginning 22/06/2020**

**Welcome to your blended learning in module 6!** Many of you are now accessing face-to-face learning in school, as well as managing your studies at home. Home learning will now reflect the learning that takes place within school, using recorded lessons to allow those who cannot join us in school to experience the same provision. Links to all resources and videos will be made available via subject sharepoint pages (hyperlinked below). We will also continue to set other home learning throughout this module. Please remember to check the Home Learning area of the website and the subject pages on Sharepoint for tasks and challenges, and ensure you have completed all the work from the previous home learning packs.

**Please remember to share your home learning with your teachers.** You should continue to demonstrate an excellent attitude to your learning by attempting all tasks to a good standard. If you have completed work please email it to your subject teacher using your school email. A list of staff emails can be found in the Student Support area of [Sharepoint](#). If it is not possible to email, please keep your work together ready to show staff when you are able to return to school, and let us know what you have done during the weekly phone call. We look forward to seeing your work, and have restarted the subject and house points to recognise the great work we are seeing and hearing about.

**New for module 6, each subject page now has a discussion board called 'Home Learning Help'.** This area will allow you to ask your subject teachers and classmates for help with any of the home learning tasks you have been set. The SMSC folder also contains a discussion board for each form group. This will allow you to keep in touch with each other. A guide to using the discussion boards can be found in the Student Support page on [Sharepoint](#)

**Additional Learning resource links are available in the Home Learning section of the website,** including <https://www.bbc.co.uk/bitesize/dailylessons> and <https://www.thenational.academy/> which both provide video lessons and online resources which are freely available. Challenges and interesting opportunities will regularly be posted on the Pembroke Academy Facebook and Twitter pages. These include art and technology challenges, links to virtual tours of museums and zoos, workouts, online learning programmes and free books.

Assembly	This week's Oak National assembly is led by The Duchess of Cambridge, who wants to share the importance of spreading a little kindness for our mental wellbeing. This assembly is based on a lesson plan which is available on the Mentally Healthy Schools Platform. It was developed in collaboration with children's mental health charity Place2Be and encourages children to explore ways in which they can show kindness, and recognise the benefits of kindness to others. <a href="https://classroom.thenational.academy/assemblies/kindness">https://classroom.thenational.academy/assemblies/kindness</a>
Whole School Task	<p>Don't forget to check the Competitions and Challenges page in the Home Learning section of the Pembroke Website.</p> <p><b>Wednesday 24<sup>th</sup> June is National Writing Day. Every year Priory Pembroke and the Priory Federation contribute to the Writing Challenge. This year the question is "What are you grateful for?"</b></p> <p><b>Thinking about the current difficulties in the world, and any reading or watching you have been doing to boost your empathy recently, "what are you grateful for?" Have a go at some free writing for approximately 30-45 minutes to tell us what you are grateful for - or what unjust situations you are glad you are not in.</b></p> <p><b>Please email your completed writing to the following: <a href="mailto:nationalwritingday@prioryacademies.co.uk">nationalwritingday@prioryacademies.co.uk</a> and to your English teacher as well. Parents and siblings can also have a go! The best writing will be collated together by the Priory Trust. Watch the introductory video on <a href="https://www.priorypembroke.co.uk/page/?title=Challenges+and+Competitions&amp;pid=162&amp;action=saved">https://www.priorypembroke.co.uk/page/?title=Challenges+and+Competitions&amp;pid=162&amp;action=saved</a></b></p>

Family Challenges	<p>Don't forget to check the Competitions and Challenges page in the Home Learning section of the Pembroke Website and the free to view <a href="#">theatre performances</a> are available during lockdown</p> <p><b>National competition: What's your vision for the world after coronavirus?</b>  Now that everyone is thinking about what our post-lockdown future might look like, openDemocracy and UCL are teaming up to invite young people to have a say. We want to find and shout about the best ideas from the next generation for what should come next.  What might democracy look like as countries emerge from lockdown? How will public health change as a result of this global pandemic? What lessons from history have we forgotten that might guide how the world recovers? How will our societies and cultures respond to this global crisis and its aftermath? <b>The competition is open to any over the age of 14, with a prize of £200 book voucher. Full details <a href="https://www.opendemocracy.net/en/world-after-covid/">https://www.opendemocracy.net/en/world-after-covid/</a></b></p>
National School Sport Week	<p>This week, 22<sup>nd</sup> June to 28<sup>th</sup> June, it is <b>National School Sport week!</b></p> <p>As we are unable to enjoy being active in school this week, the PE department have put together some activities and challenges we would like all of you to have a go at!</p> <ul style="list-style-type: none"> <li>- National School Sport week QUIZ</li> <li>- Create and share your own fitness workout</li> <li>- Virtual mini Olympics</li> </ul> <p><b>The full instructions can be found in the Home Learning area of the website and you can also find the activities listed above in the <a href="#">PE Share Point area – Pembroke PE at home – National School Sport week 22<sup>nd</sup> – 28<sup>th</sup> June</a></b></p> <p>This is a House competition, therefore House points will be awarded for every activity you try. All you need to do is have a family member take a picture or a short video clip of you doing the activity and send to either Mr Selby or Miss Whelan (if you do not want to be in a picture/ video, just email us your scores/ times for the activities you took part in, <b>by 4pm on Sunday 28<sup>th</sup> June!</b> Every entry will earn you 3 house points! Please also say on the email if you are happy for us to share your amazing attempts on our school social media.</p> <p>Have fun everyone, and enjoy doing these challenges in the sun this week!</p>
Maths	<p>Please go to the maths SharePoint site. Here you will find the 5 a Day tasks and some <b>mini video lessons</b> created by staff at Pembroke, please watch/complete these in order (there are activities within the lesson for you to do). As well as the videos there will be a worksheet of questions for you to complete (with answers provide for self-marking). <b>Please keep any work you do to be collated into a folder to hand in once we return.</b> <a href="#">Year 10 home learning</a></p> <p>Any problems please e-mail <a href="mailto:sburnett@prioryacademies.co.uk">sburnett@prioryacademies.co.uk</a></p>
English	<p>For those of you who are unable to attend the sessions on Wednesdays or who would like a recap, I have made some videos for you. Please let me know if you have any questions.</p> <p><b>Wednesday 17th June: <a href="#">An Inspector Calls Revision</a></b></p> <p>Please also continue to work through the revision materials for A Christmas Carol and An Inspector Calls which can be found on the English <a href="#">Sharepoint</a> page. You can also complete the English Language mock exam papers saved into the Year 10 and 11 area.</p> <p><b>Everybody</b> needs to email their teacher at the end of each week with all of the lessons for that week completed. If you have completed your work on paper you could email a photograph of your work. If you cannot email, please tell the member of staff who calls each week so they can update your English teacher. All English teacher emails can be found on the English Sharepoint page.</p>
Science	<p>Click the link below and complete the lesson for this week. Open the PowerPoint first and then use the other resources as it says. Any issues email <a href="mailto:spickersgill@prioryacademies.co.uk">spickersgill@prioryacademies.co.uk</a></p> <p><a href="#">Year 10 Science Work</a></p>

Geography	<p>The UK's Climate Change Challenges.</p> <p>Please read pages 288 &amp; 289 and complete Activities 1,2 &amp; 3.</p> <p>For the next two weeks I would like you to complete some of the activities that I have downloaded from The Geographical Association website. These geographical activities have been designed specifically for the lock down and can be divided into HOME, GARDEN &amp; LOCAL AREA. These can be found on <a href="#">Sharepoint</a>.</p>
Media	<p>On <a href="#">Sharepoint</a>, there are a wide selection of revision resources as well as practice exam papers. Please refer to your working from home activities sheet and send Miss Farrell any completed questions via email for feedback or any queries you have.</p> <p>Please ensure any coursework editing is completed.</p>

Focus on your mental health and wellbeing, by completing a <a href="#">daily challenge</a> from the grid. Tick them off as you complete them. You could make a scrapbook or journal with photos and notes of the challenges completed.</li> </ol>

Art	<p>1. In line with National Writing Day - we would like you to draw what you are grateful for during these strange times. In other words what could you not live without during lockdown? What is making it more bearable?</p> <p>It could be your phone because it enables us to stay in touch and see the people you miss (if this is the case then please draw a person or app on the screen), it could be having no alarm clock going off at 6.30am and getting more sleep, it could be your trampoline or paddling pool? it could be the weather? it could be the contents of the cupboard because you can do lots of baking? it could be being able to walk the dog everyday, it could be school because you are able to attend due to your parents being key workers? it could be the NHS? it could be Netflix?</p> <p>You may choose to illustrate what you have written for the English Home learning which is the Nation Writing Day task. You may decide to draw things around or in between your written words, you could replace some of the words with drawings or even write your English work in the shape of something you are grateful for?</p> <p>Whatever you draw (and it can be in any media) please photograph it and send it to Miss Neal or Miss Gibbs so they can log it on our home learning trackers, and also send it to this email address <a href="mailto:nationalwritingday@prioryacademies.co.uk">nationalwritingday@prioryacademies.co.uk</a></p> <p>Your work will then become part of an online gallery and remain a piece of history for future generations. How exciting!</p> <p>2. Photography: <a href="https://www.startaskill.co.uk/course-area.html">https://www.startaskill.co.uk/course-area.html</a></p> <p>Follow the series of lessons on the link above introducing the basics of photography. This is absolutely ideal if you are considering GCSE Photography or GCSE art &amp; design in the future or are already doing so. Your own photographs when mounted up will sit nicely in your portfolio as part of component 1 of the course. In fact if they are awesome then we can enlarge them and put them on display in frames in the hall. Save all your photos to your own user area in school and we can print them when you return.</p> <p>I hope you enjoy working through these lessons and taking fantastic photographs as a result. No flashy camera needed either - all can be done using your phone.</p>
Sport Science	<p>To help with exam revision, you have all now been given your own accounts on the AnswerPERfect website (we have used this in lessons).</p> <p>To set yourself up on AnswerPERfect, <b>access SharePoint through the Priory Pembroke Academy website, and click through the following steps to reach the support materials.</b></p> <ul style="list-style-type: none"> <li>- PE</li> <li>- <b>OCR Sport Science</b></li> <li>- <b>Click on the image</b></li> </ul>  <p>Alternatively, just click on this link! <a href="https://answerperfect.co.uk/">https://answerperfect.co.uk/</a></p> <p>You will need to login at the top right hand corner of the page. I have sent you all an email with your username. Please use the same username as the password also (you can change this password once you are logged in).</p> <p>Once logged in:</p> <ul style="list-style-type: none"> <li>- Click on 'courses' at the top of the page</li> <li>- Click on the image of the performer holding their leg</li> </ul> <p>On the right hand side you will see the titles of each LO section of the exam. Here you can choose which areas of the exam you'd like to improve on most.</p> <ol style="list-style-type: none"> <li>1) Choose a Learning Objective and click on it.</li> <li>2) Choose a Sub-topic and click on it.</li> <li>3) Complete the multiple choice quiz first (you will be given a score and a percentage, and you can also complete each quiz as many times as you like to try and beat your previous score. You will also be able to see a mini certificate when you have got a score equal to or higher than the pass mark. I will then be able to see when you did the quiz and what score you got.</li> <li>4) Once you have completed the quiz for that sub topic, then complete the 8 mark question. For the 8 mark question, firstly watch the video (as we have done before in lesson) and this will help you to remember the content needed to answer the question. Then answer the question either on Microsoft Word. You may send me this to mark once you have completed the question!</li> </ol>

Food Tech	<p>Complete the Year 10 food preparation and nutrition work and the food-security-activity-sheet. Copies of both tasks can be found in the Food Technology area of the Technology <a href="#">Sharepoint</a> page.</p>
D & T Timber	<p><b>NEA 2020-2021 (Coursework) task:</b></p> <p>The new NEA tasks have been released by the exam board. Full details of the task and an email explaining what you need to do at home has been sent to your school email address by Miss Gibbs.</p> <p>To allow the project to be completed during year 11, you must begin the investigation section where many of the tasks are straight forward, research based and can be done from home either on to paper hand written or digitally on power point. There will be a new task a week. It is crucial that you keep on top of these and if you are having problems to contact <a href="mailto:ggibbs@prioryacademies.co.uk">ggibbs@prioryacademies.co.uk</a> asap. <b>This is your year 11 GCSE coursework and will count towards your grade.</b></p>
Careers	<ul style="list-style-type: none"> <li>In the next few months, you will be making important decisions about life after GCSEs. This may be college, sixth form or an apprenticeship. Mrs Doughty will be working with you throughout this process and is available if you have any questions <a href="mailto:adoughty@prioryacademies.co.uk">adoughty@prioryacademies.co.uk</a></li> </ul> <p><b>TASK:</b> Investigate the courses on offer at the different colleges and Sixth forms that you are interested in; find out what the entry requirements are and what the application process is; look for details of open days (and virtual open days); keep checking the Pembroke news and careers pages for details from Post-16 providers such as this update from <a href="#">Riseholme College</a></p> <p><b>TASK:</b> Complete the STEPS booklets to help consider future careers and employment. A copy of the booklet can be found within the Careers area of <a href="#">Sharepoint</a></p> <p><b>TASK:</b> Complete the <a href="#">Employability Courses</a> to develop additional skills to help you prefer for post-16 courses and employment.</p>
