## Year 10 Independent Study Plan 12. Week Beginning 29/06/2020

Welcome to your blended learning in module 6! Many of you are now accessing face-to-face learning in school, as well as managing your studies at home. Home learning will now reflect the learning that takes place within school, using recorded lessons to allow those who cannot join us in school to experience the same provision. Links to all resources and videos will be made available via subject sharepoint pages (hyperlinked below). We will also continue to set other home learning throughout this module. Please remember to check the Home Learning area of the website and the subject pages on Sharepoint for tasks and challenges, and ensure you have completed all the work from the previous home learning packs.

**Please remember to share your home learning with your teachers.** You should continue to demonstrate an excellent attitude to your learning by attempting all tasks to a good standard. If you have completed work please email it to your subject teacher using your school email. A list of staff emails can be found in the Student Support area of <u>Sharepoint</u>. If it is not possible to email, please keep your work together ready to show staff when you are able to return to school, and let us know what you have done during the weekly phone call. We look forward to seeing your work, and have restarted the subject and house points to recognise the great work we are seeing and hearing about.

**New for module 6, each subject page now has a discussion board called 'Home Learning Help'.** This area will allow you to ask your subject teachers and classmates for help with any of the home learning tasks you have been set. The SMSC folder also contains a discussion board for each form group. This will allow you to keep in touch with each other. A guide to using the discussion boards can be found in the Student Support page on <u>Sharepoint</u>

BBC As You Write It competition	At a time when we are all missing out on the magic of going to the theatre, The One Show, along with The Shakespeare North Playhouse is launching an exciting new playwriting competition, giving children and young people across the UK the opportunity to see their ideas come to life on stage. We hope this will help inspire the next generation of playwrights as well as encouraging a love of theatre and the arts in children and young people.
	The competition is open to all children and young people aged between 7 and 16 years old. It opens for entries at 7pm on Thursday 25th June 2020. The deadline for entering the competition is just before midnight on Monday 31st August 2020.
