

Build a Marble Run
using any resources
you can think of
(Lego/card/straws/toilet
roll tube)?
One (or more) of the
Pembroke Values should
be highlighted
somewhere along it.

Build a Bridge
Using whatever you
can find (lego,
newspaper, card).
Build a bridge that
spans 60cm and
support the weight
of 10 tins of food.

**Hard Boiled
History:**
Decorate a
HARD BOILED egg
(or fake egg, or design on an egg
shaped piece of paper if you
haven't got any spare eggs!) as a
historical figure or historical
event. Research the person or
event and then make an EGGcellent
model. Get creative and EGGspress
yourself. Please send pictures of
your historical egg to
swarnock@prioryacademies.co.uk

Do the daily
challenge on
www.geoguessr.com

**Drawing for
our IMP**
On a 5cm square piece of
paper, draw a clock (any
type of clock you like using
any media, colours etc). Take a
picture and email to Miss Neal,
she will print it out and glue it
onto our IMP for the trail.
cneal@prioryacademies.co.uk

**Family Board
Game Day**
Play as many different
board games as you
can, keep scores from
each game and see who
the winner is at the
end of the day.

Become a Band
Each member of the
family has to MAKE a
musical instrument from
things in the house (no real
instruments allowed). You
must then get together to
play a tune, record it and
we'll see if we can tell what it
is. Send it to
gbaker@prioryacademies.co.uk

Family Tree
Draw out a family
tree. How far back
can you go? How
wide can it go? Can
you make it look
visually striking? Can
you add any
photographs of the
people on it?

**Recreate a
famous piece of art**
(sculpture or painting)
using your choice of
materials, this could even
be you in fancy dress as a
photograph, or a Big Art
Attack, or using Food?
Get Creative and send it
to Miss Neal.

Come Dine With Me
Make the invites, include
the dress-code, time and place;
#make and set the menu; Get
dressed up for the party; Get
the dinner table and room;
Welcome the guests; Cook and
serve the family a healthy 3 course
dinner; Plan the evening's
entertainment after the meal too.
Ask the family to mark you out of
ten and then its someone else's
turn to host next time!

Check out
the **Science**
Challenges on the
Science sharepoint
page.
Egg drop challenge,
Sew an Ice Cube,
Magic Balloon??

This Easter we challenge you and
your household to complete as
many of these challenges as you
can. You will need to use your
wisdom, show courage, be curious
and passionate, and most of all be
generous to support each other.
Please email completed challenges,
or images of completed challenges
to
Pembroke@prioryacademies.co.uk
or tag us on Facebook and Twitter.
